Chris Cleveland has been with Jones Petroleum for over 16 years in total! He served as a Piggly Wiggly manager at our Jackson location before moving to Manchester. His leadership shines through in the compassion and support he shows to employees. Thank you for being such a valued member of our team!

What makes JP different from other companies? It has a small town feel where people are valued, but still offers many benefit options including a 401k.

What do you enjoy most about your job? Building relationships with team members to help them grow. I also really enjoy going to the food shows to see and choose new products.

Who is your mentor? My supervisor, Carl Whitaker, is very knowledgeable in the grocery business. He treats others with fairness and respect.

What are you most passionate about outside of work? Spending time with my family. I enjoy teaching my grandkids new things.

What's something people may not know about you? I love riding my motorcycle and going antiques with my wife.

Morning person or night owl? Morning!

Name 3 items on your bucket list. 1. Slow down after retiring 2. See the Grand Canyon on a touring bike 3. Spend more time with grandkids

AWARD**

Neal Barber

Neal Barber at Ace Hardware Forsyth is our May Extra Mile Award recipient! He was nominated by his manager, Dale White.

Here's what Dale had to say about Neal going the Extra Mile:

"Neal goes above and beyond. Within his first 30 days of employment, he was promoted to shift leader because of his strong work ethic. From helping the truck team and serving as backup MOD to assembly and deliveries, Neal is always willing to help. He is currently completing the Silver Stihl training. We are thankful to have him on our team."

THANK YOU FOR GOING THE EXTRA MILE!!!
