SERVANT LEADERSHIP

Originally from Indiana, Delmas began his career in food service at just 16 years old with McDonald's, where his journey led to a transfer to Georgia. Over the last 40 years, he's worked with Hardee's, Arby's, Five Guys, and most recently Dunkin'. We're excited to welcome Delmas and look forward to the leadership he will add to our team!

What is your favorite part about your job? The people, getting to know them and helping them grow. I'm tough on issues and soft on people.

What has influenced your success? Experience in the industry and growing up in a family that placed a strong value on treating others with respect.

Do you have any special talents? I can play the guitar.

What drew you to JP? I like how employees are compensated and recognized, restaurant locations are well taken care of, and problems get fixed quickly.

How do you handle job stress? Early morning walks and spending time with family.

What are your bucket list items? Trips to Greece and Hawaii. Meeting my goal of helping 35 family members move to Georgia, right now I have 23 relatives living nearby!

Shakira Rawlins, Assistant Manager at JP Dunkin in Forsyth, is our February Extra Mile award recipient! In May, she will celebrate four years with us! Shakira was nominated by our Dunkin Operations Director Amy Brooks and her District Manager Precious Hampton. Here's what they said about Shakira going to the Extra Mile:

"Shakira is always willing to step in wherever she is needed- covering shifts, helping with inventory, and supporting her teammates without hesitation. Her positive attitude and dependable spirit make a difference each day."

THANK YOU FOR GOING THE EXTRA MILE!!!
