Jackie Greene

JP STARK ROAD VALERO

20 YEARS AT JP
CONGRATULATIONS!

HER STORY

Twenty years ago, Jackie came to JP looking for a little part-time work. She started in the deli, moved up to the register, and before long JP had become a full-time home. Today she is a familiar face at Stark Road Valero, opening in the early morning hours and greeting her regulars by name. For Jackie, it has always been about the small-town feel, where customers become friends and coworkers become family.
