ALFRED DAVIS
PIGGLY WIGGLY JACKSON

FAST FACTS

Alfred celebrates 10 years at JP Piggly Wiggly in Jackson! Alfred worked in the Kroger meat department for 15 years before joining Piggly Wiggly in Forsyth. When the Forsyth location closed, we welcomed him to Jackson. He has been an essential part of our meat market team, working behind the scenes to ensure customer satisfaction!

What was your first job? At 17, I cut grass at different hotels in the Forest Park area.

What is your favorite part about this job? Interacting with the customers, they are like family to me.

How do you like to spend a day off? I like to get caught up on chores like cooking and yard work.

What advice do you have for young adults entering the work force? Be on time, learn as much as you can, listen, and ask questions.

What is your favorite cut of meat? A ribeye- I like it best pan seared in a little olive oil!

Do you have a favorite quote you live by? "Treat everyone nice".

Who has been the biggest influence on your life? My mom.

What's a fun fact most people wouldn't know about you? I'm the youngest of eight kids in my family.

Name 3 items on your bucket list. Only one, which is relaxing on a nice fishing trip!
