EXTRA MILE AWARD

TERRICA ZELLNER

ACE HARDWARE FORSYTH

Terrica is our February Extra Mile Award recipient! She was nominated by Ops Supervisor Scott Mitchell and DM Wes Mathe. Here's what they had to say about Terrica going the Extra Mile:

She is our resident expert on the Eagle/Epicor software system and for solving any AR issues. Terrica is a great resource for her peers and has no problem making those around her better. Recently, Terrica was instrumental in helping solve a credit card scam in Forsyth. She witnessed a customer acting very suspicious with his shopping habits. When the customer tried different cards which were declined, she immediately called Police. The felon was caught minutes later on I-75.

Way to go, Terrica! THANK YOU FOR GOING THE EXTRA MILE!!!
